

WHAT I LEARNED TODAY
ON MY FIELD TRIP
to the
JULIETTE GORDON LOW BIRTHPLACE

About History.

1. Things change over time.
2. Some things are the same in 2003 as they were in the 1880s.
3. Some things in 2003 are different from the 1880s.

About Our Community.

1. Savannah was a small town in 1886.
2. Savannah had dirt streets.

About Household Technology.

1. Houses were heated with wood or coal. They did not have air conditioning.
2. Many houses had “modern” gas lights.
3. There were no televisions, radios, tape recorders or record players.

About Children's Amusements and Accomplishments.

1. Families entertained themselves with music, dancing, games, singing and plays.
2. Many children took lessons in art, music and dancing. Others learned from their families.
