## Collection Highlight

The Juliette Gordon Low Quarter is not the first partnership between Girl Scouts and the US Mint. For the 100th anniversary of Girl Scouts in 2013, the US Mint created a silver dollar to represent the history of the Movement. The top of the coin reads, "Courage, Confidence, Character," showcasing Girl Scout ideals. The depictions of three girls on the coin show a variety of ages and backgrounds within the organization's membership. The coin features girls as the heart of the organization.
